

## **WORKSHOPS WITH THE TARGET GROUP**

Between April and May 2021, the trainers of the SMART EDUCATIONAL PROJECTS Association organized activities with the target group within the PATH FOR CAREER project (No: 2018-1-RO01-KA204-049513). The 34 participants (master students from "Constantin Brâncuși" University of Târgu-Jiu) participated in:

- 3 workshops on "Proactive career management"
- 3 workshops on "Soft skills needed for a job"
- 3 workshops on "Internship - a step in your career"
- Evaluation of the PATH kit (the 3 chapters of the Guide and the related serious games)
